

LIT Parent Representative

Act 264 is the Vermont Law assuring parents of children/youth with mental health diagnoses or on an IEP and receiving AHS services, the coordination of services for better outcomes.

In each community Act 264 works through a Local Interagency Team (LIT). Each LIT has a parent representative.

LIT Parent Representative is a parent who has lived through some of the same difficult experiences that you are going through.

They are able to offer understanding, support, and assistance to you and your family.
